

John W. Inman Memorial Scholarship Endowment Fund

The John W. Inman Memorial Scholarship was created to honor John W. Inman, a long-time supporter of Hartnell College. In 1984, he was elected to the Hartnell College Board of Trustees and served as president in 1987, 1993 and 1999. He was a member and officer of the Hartnell College Foundation Board for 10 years until 2010. John was a major force behind the development of Hartnell's Agricultural Business and Technology Institute. This scholarship seeks to continue John's legacy as a leader in the ag industry and to support the professional development of our students.

The funds received for the John W. Inman Memorial Scholarship will create an endowment to support scholarships and name an office in his honor at the Alisal campus in the new Center for Advanced Technology. The Bernard Osher Foundation will match 50% of every dollar received by May 30, 2011.
