Hartnell College Board of Trustees report date:		02-07-2017	
Abstract:			
Hartnell College proposes to extend dual enrollment and our extensive system of student outreach and support to three feeder high schools in 2017-18 and three additional feeder high schools in 2018-19. Some of the key strategies include priority registration, full-year registration, multi-measure criteria, early FAFSA completion, Steps-to-Success, transfer-college-major information sessions for students and parents, and coordination and leveraging of additional public and private funds.
