

HARTNELL COLLEGE

BORONDA INTERNATIONAL STUDY PROGRAM

The Netherlands : Summer 2019

The Sylvano and Maria Boronda International Study Program is offering an approximately two-week program of study in The Netherlands in the Summer of 2019. As directed by the will of the donor, Lester D. Boronda, the recipients are to be "Students of Unusual Promise in the Arts, namely, Painting, Sculpture, Architecture, Literature, Drama, Music or Dance."

Come with Hartnell's Boronda International Study Program to The Netherlands! We'll base our experience in the center of Amsterdam, where world class museums feature the works of artists such as Vincent Van Gogh, Rembrandt, Vermeer, and Escher. We'll take day-trips to places such as Delft, The Hague, and Rotterdam to take in art, architecture, and music.

Students selected for the Boronda Program will study and travel under the direction of a Community College instructor. As part of the program, they will receive expenses for air and ground transportation, lodging, and a meal allowance. During the trip, they will also be covered by accident insurance.
